

# Autumn Royalty™

Rhododendron hybrid 'CONLEC' A

ENCORE LANDSCAPE AZALEAS

## Autumn Royalty is a tough specialist landscape Azalea with more blooms, more often.

- Lace bug resistant, heat, humidity and cold tolerant landscape Azalea.
- Masses of fuschia flowers. Repeat blooming spring, summer and autumn.
- Although it is the most drought tolerant Azalea, it still needs a year to establish before it is drought tolerant. It will need top up watering in dry times. In places like Perth, irrigation is necessary.
- We are yet to see flower blight on Autumn Royalty after three years of testing in Australia.

*Beautiful fuschia flowers in summer & autumn*
