

Autumn Twist™

Rhododendron hybrid 'CONLEP' A

ENCORE LANDSCAPE AZALEAS

Autumn Twist is a tough landscape Azalea with stunning striped blooms.

- Lace bug resistant, heat, humidity and cold tolerant landscape Azalea.
- Masses of light pink flowers with fuschia striped blooms. It will occasionally get a full fuschia flower. Repeat blooming in spring, summer autumn.
- Although Autumn Twist is a drought tolerant Azalea, it still needs a year to establish before it is drought tolerant. It will need top up watering in dry times. In places like Perth, irrigation is necessary.
- We are yet to see flower blight on Autumn Twist after three years of testing in Australia.
